

Milo's Adventure with Islay, Charlotte & Tommy

Milo had a fun time visiting Islay, Charlotte & Tommy.

They all made playdough together and shaped them into cupcakes celebrating Islay's 3rd birthday. The playdough felt soft and smooth. They made shape imprints that felt bumpy and rough.

Playing with playdough helps children to strengthen muscle tone, develop fine motor skills and pre-writing skills.

Milo loved discovering lots of different opportunities to explore rough and smooth textures through messy play.
